RESOLUTIONS requesting Gov. Beckham to interfere in the case of Caleb Powers, convicted and sentenced to die for complicity in the murder of Gov. Wm. Goebel, of Kentucky, have been passed at a meeting of so-called evangelists and christian workers conducting services in Chicago under auspices of the Presbyterian church. The resolutions request Gov. Beckham to make use of the pardoning power, either setting Powers free or securing the convicted man a new trial. That the governor will turn a deaf ear to the silly request is a foregone conclusion.

ST. LOUIS has much to be proud of. Now the world's fair city, and to be the city within whose jurisdiction the next president of the United States is to be nominated. Great St. Louis and to Kentuckyans who have located there is due no little of the city's greatness.

MR. BRYAN has written an article for the Commoner this week in which he classes Parker, Cleveland, Hill, Olney and Gorman as unavailable candidates for the democratic nomination for the presidency. He is opposed to Parker because Hill is for him.

THE Casey County News has very sensibly abandoned its patent pages and is now all home print. We congratulate you on the change, Brer Thomas.

POLITICAL.

Claude M. Thomas, of Paris, has announced his candidacy for Congress. Hon. William Hepburn was re-nominated for Congress in the Eighth Iowa district without opposition.

The Ways and Means Committee has favorably reported to the House the bill for the relief of tobacco growers.

H. A. Brooking was appointed circuit court clerk of Bell to fill the unexpired term of J. G. Newlee who died Monday.

Former Secretary Root will be temporary chairman and Speaker Cannon permanent chairman of the republican national convention.

The secretary of the treasury has ruled that Panama canal construction bonds may be used by national banks as a basis of circulation.

Senator Gorman's friends say there is no foundation for the report that he is to withdraw from the contest for the democratic nomination for president.

"I do not see how any one professing to be a real, intelligent democrat can hesitate to accept Mr. Parker, if he should be nominated, as a fit representative of safe and conservative democratic principles entitled to hearty and unreserved democratic support," says Grover Cleveland.

Congressman Crumpacker, of the 10th Indiana district, was renominated without opposition.

Republicans are in State convention in Tennessee and Oklahoma. Democrats are convened in Kansas.

The republicans of this district met at Nicholasville and decided to hold county conventions on April 23rd and the district convention at Nicholasville the 28th to select delegates to the State convention.

The term of Judge William H. Holt, of the United States District Court of Porto Rico, expires June 1. It is said that the President will probably re-appoint Judge Holt if he desires to continue on the bench.

The case of the bondsmen of William H. Cullen was continued when called in the Frankfort circuit court. Judge Hazelrigg asked until the next term of court for the bondsmen to make an effort to apprehend the fugitive.

Agents of W. R. Hearst endeavored to lease an entire hotel in St. Louis for the national democratic convention. Failing to do this they secured all the available rooms in three hotels, and Mr. Hearst's bill for room rent will be \$3,500 a day during the convention.

The democratic members of the Senate Judiciary Committee have drawn up a minority report on the bill introduced by Senator Hoar for the protection of the president. The report declares that such a law would "invade and destroy the most valued principles of republican institutions."

In the municipal election in Chicago the republicans elected 18 aldermen and the democrats 16. One independent republican was elected. The vote on municipal ownership of street railways was largely in favor of such ownership. David S. Rose, democrat, was re-elected mayor of Milwaukee. The republicans carried Kansas City, the democrats having two full tickets in the field.

The Democrat is not, among those that attempt to belittle the Hon. W. R. Hearst and ridicule his presidential aspirations. The very fact that he has made such a success in life and reversed the usual course of young men who inherit large fortunes, proves that he is no ordinary character, but a man of ability and of affairs, whom we will cheerfully support for president should he receive the nomination.—Lexington Democrat.

The republican party is utterly tired of Mr. Roosevelt and the continuous harlequinade in the White House. There are many influential republicans interested in business, who have no confidence in the judgment of Roosevelt and who regard his proposed and certain nomination with disfavor. They are afraid to trust him. They look on him as a president who is apt to upset the business interests of the country by unwise conduct, or who is liable to involve the country in war. These would contemplate the defeat of Roosevelt with cheerfulness.—Somerset Journal.

By the will of Smith Lafayette Russell, who died last month, a Methodist church on the lower West Side in New York is beneficiary to the extent of \$500,000.

The master printers of Louisville have broken off negotiations with the printers' union and declared for an open shop. The printers still declare their faith in a successful strike.

A strike of the 3,000 Western Kentucky coal miners seems imminent. President John Mitchell was unable to effect a settlement and the Scale Committee was relieved of further service.

Rev. Andrew J. Martin, a Graves county preacher, was visited by a party of whitecaps and was lashed until the blood ran from the wounds. He was accused of paying too many visits to a neighbor's house, but says he went there on ministerial duties.

Joseph F. Smith, president of the Mormon church, stated at the 74th conference that no plural marriages had been solemnized with the sanction or knowledge of the church since Sept. 26, 1890. NORF.—Royal King was sired by the great On Tins and is a brother to the great Silver King and Allie G., the great show mare that sold for \$1,000. King Eagle's 2nd dam is the dam of Minnie Boyd, the great show mare that Matt Cohen won everywhere with in 1895 and sold for \$500.

King Eagle will make the present season of 1904 at my stable 2 1/2 miles west of Stanford on the Shelby City pike at the low price of \$10 to insure a living colt. Will also stand the great mule and jennet Jack, Billy Keene, at \$10 for mares and \$20 for jennets to insure a living colt. Billy Keene was sired by the great Tom Keene, 1st dam by the imported Palermo, 2nd dam by Levi Hubble's Prince, the sire of Joe Blackburn and Brignolia. Billy Keene stands full 16 hands high, black with white points, and as a breeder he is unsurpassed as a mule or jennet Jack. His colts will show for themselves. Will also let that great young Jack, Jim Keene, serve a few outside mares at \$10 to insure living colts.

Mares traded, parted with or bred elsewhere forfeit the insurance and money becomes due at the time of such transaction. For further particulars call on or address S. T. HARRIS, Stanford, Ky.

PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15 1/2 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Roderick; 2nd dam by a Denmark horse.

Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should breed to Preston

1. Because he is the greatest show horse Kentucky ever produced

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$650; Miss Henrietta, owned by Gay Bros., that won more premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.
